Comments

“ My memories of Jack are so full because we have been neighbors for over 37 years. One of the sweetest memories was watching him play with his grandchildren, Emily and A.J. He would take them for rides on his lawnmower so often. He and Wanda picked them up from school everyday. He made them a tree swing. Jack loved those grandkids so much, and showed it constantly. He will be missed terribly, I still can't believe he's gone. He was a great neighbor, son, husband, father and grandfather.
