“ His favorite statement was he is no longer Steve Walker life time resident of Cheatham Co., but he was Lorie's husband and Lizzie and Torie's dad. Then he'd laugh with pride. A better friend there never was, he will be greatly missed by all.

“ Steve and I are Fraternity Brothers in Alpha Tau Omega. Several years after graduation, Steve got me hired on to help him in the bookkeeping department of Travel Unlimited, where he was the accountant. Steve left Travel Unlimited to pursue other opportunities and I stayed on for 13 plus years (until the agency was sold to a bigger one out of Atlanta and I couldn't/wouldn't relocate). What a wonderful thing Steve did for me back then...got me a great job that I could make a decent living at , plus get to visit so many other places around the world. I could never thank him enough for doing that for me. But, as great as that was, an even greater Blessing was having Steve as my Brother and the Friendship we shared. What a great guy! I know that I'll never forget him. I Love and Respect you Brother Walker. Rest In Peace.

“ Steve was not only a co- worker for over 20 years, he was also my friend. We had a lot of great times together. He will be missed by me and the entire CTAS staff.

Mike Garland - May 19, 2017 at 03:03 PM

“ Steve will be greatly missed by all of his co-workers and customers. Steve had a unique ability to analyze complex problems, develop a solution, and present the problem and solution in an easy to understand language. His ability to do this was a true reflection of his tremendous wisdom and depth of knowledge. Tennessee has lost a true and great public servant.
